

# Small Business Grant Winner

2019 Grand Prize Winner

## ABOUT LUX BLOX

Take creativity to the next level with Lux Blox. Created by Michael and Heather Acerra these blocks are designed to build things in the same way nature builds itself. Serving as a great educational tool, Lux Blox promotes learning through playing by giving users a deeper understanding of construction and creativity when working with their hands. This small business makes their community a better place by manufacturing and packaging all products close to home!
